

An aerial photograph of a city street. On the left, a large Ukrainian flag (blue and yellow) flies from a flagpole. Next to it is a flag with blue, yellow, and green horizontal stripes. Further to the right is the flag of the European Union (blue with yellow stars). The street is lined with trees and some buildings are visible in the background. The image is partially obscured by a large teal diamond shape on the right side of the page.

APPEAL TO INVESTORS

DEAR FRIENDS AND PARTNERS!

Pavlohrad is a city of energy, hardworking people and great opportunities. We are located in the heart of Dnipro region, at the crossroads of important roads, where industrial strength, modern technologies and a desire for development are combined.

Today we are open to new ideas and partnerships. Pavlohrad offers a favorable locations, professional staff, infrastructure for business growth and most importantly – support from the city authorities at every step.

For us, investments are not just a financial contribution. They are a shared path to creating new jobs, developing innovations, and improving the quality of life of our community.

I invite you to become a part of Pavlohrad's successful history. Together we can implement bold projects that will benefit people and open new horizons for your business.

With respect and hope for cooperation,
Mayor of Pavlohrad

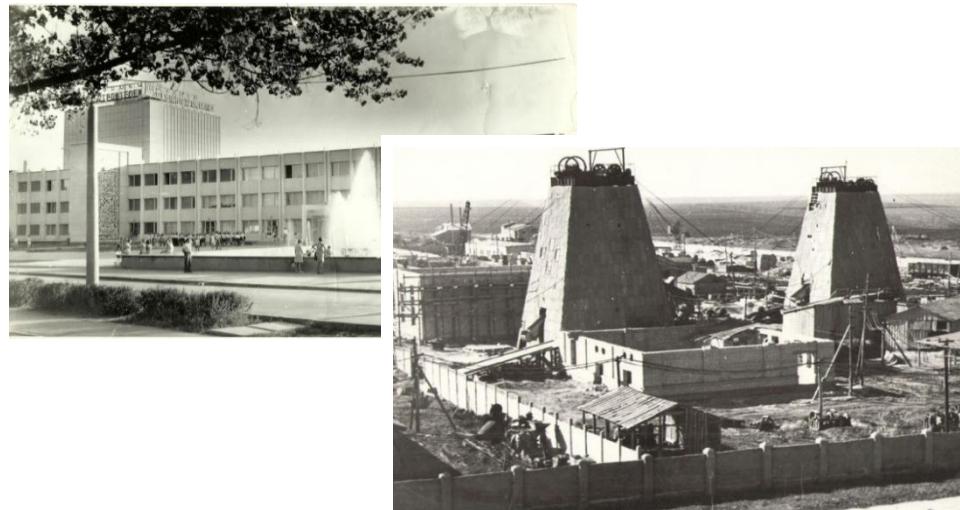

Anatolii VERSHYNNA

HISTORICAL BACKGROUND

The city of Pavlohrad is located in the Dnipro region of Ukraine, in the west of Donbas, on the Samara River. Its history dates back over 350 years..

Pavlohrad was founded as a Cossack settlement and later developed into an industrial and commercial center due to its strategic location at the crossroads of transport routes. The settlement received city status in 1784 and since then has gradually transformed into an important regional center.

In the 20th century, Pavlohrad experienced a significant industrial boom, and its economy was closely linked to energy, coal mining, and metallurgy. Today, Pavlohrad combines a rich historical heritage with modern industrial potential and is an important regional center of the Dnipro region.

CENTER OF WESTERN DONBAS
